

Teddy Bear Clinic

Bring your favorite stuffed animal for a free health check.

Saturday, September 9, 2023, at 10:30 to 11:30 a.m.

Teddy bear clinics are designed to address children's concerns or fears over doctor visits and routine medical procedures.

A check-up for your furry friend may include:

- Blood pressure checks.
- X-rays.
- Medicines.
- Vaccinations/immunizations.
- Listening with a stethoscope.
- Ear and nose otoscope examinations.
- Certificate of Good Health will be awarded at the end of check-up.
