

# Joint Replacement Pre-Op Education

## *Total Hip and Total Knee Replacement Virtual Microsoft (MS) Teams Education*

For your upcoming joint replacement, the virtual pre-op education session will give you an understanding of what to expect before, during and after your joint replacement.

The education session is conducted via MS Teams and consists of a presentation and a time for questions and answers at the end.

There are two, one-hour sessions offered a week from 11 a.m. to 12 p.m. One session is on Tuesday and the other is on Thursday.

Sign up for the MS Teams session by emailing Joint Coordinator Janet Mayeda, PT, MHA at [janet.mayeda@huntingtonhealth.org](mailto:janet.mayeda@huntingtonhealth.org)

We will need an email address to send you the link for the MS Teams session.

We also have a library of educational videos that you can review anytime to help you in your joint replacement journey. Visit [huntingtonhealth.org/our-services/orthopedics/total-joint-replacement/video-library/](https://huntingtonhealth.org/our-services/orthopedics/total-joint-replacement/video-library/) or scan the QR code to access the library.
